

MIDDLE CREEK ARCHERY, LLC

Thank You!

The recent memorial shoot for Matt Michael was a huge success. Sixty people attended both days of the shoot. Everyone who attended the shoot received a door prize.

Lenny McVey was the winner of a Mathews Reezen Bow donated by Art Henderson of Mathews Inc. Willis Berg was the winner of a Parker Bow donated by Jim of Parker Bows.

We all had a good time and we were blessed with a beautiful day. We want to sincerely thank all of the businesses and people who made donations and to everyone who worked so hard to put both of the shoots together.

We appreciate and thank everyone who was able to participate and we hope all of you had a good time in Matt's memory. We truly appreciate everything and everyone. God bless each and every one of you!

Sincerely,
Christine and Tammy

Congratulations!
